Chairman's Message

Tattersall's Club was honoured to have presented to it by Mr Alan Lowe a Tattersall's Club Bookmaker's Betting Book previously owned by a member of his family, Frank Fitzpatrick which records in great detail the bets laid on the 1889 Melbourne Cup won by "Bravo" and other notable horses being the immortal "Carbine" (who finished second and won the Cup the next year), "Melos", "Cardigan", "Silverton" and "Ben Bolt".

These notebooks were leather bound with the name of the Club embossed on them, and on behalf of the Committee and Members I wish to express our appreciation to the Lowe family for presenting this historical book to the Club for its archives.

Congratulations to Member Bob King, Deputy General Manager for Australia of the Banque Nationale de Paris, on the occasion of the Bank's celebration of its centenary since the first day it opened its doors in Sydney in 1881. Bob presented to the Club a magnificent Portfolio featuring reproductions of material extracted from the works of eighteenth and nineteenth century French navigators, scientists and artists. Much of the material was reproduced from records in Paris of early French expeditions along the eastern and southern coastline of "Terra Australis". Again on behalf of the Members I express our appreciation for this magnificent commemorative publication which now will also form part of the Club's archives.

The Club was honoured by the presence of His Excellency the Right Honourable Sir Zelman Cowen, AK, GCMG, GCVO, KSTJ, QC, Governor-General of the Commonwealth of Australia and Lady Cowen at the Sydney Cup Week Dinner held in the first floor Club Room on Thursday evening, April 23. The evening was in the tradition that these dinners have become — a highly-successful and enjoyable one. Sir Zelman's speech to our Members and their guests was his traditionally well-researched one that contained many humorous interludes. Sir Zelman was followed by Mr Geoff Mahoney, the ABC's Chief Racing Commentator and the official race broadcaster for the AJC and STC. Geoff in his phantom race call correctly picked the winner "Our Paddy Boy" and the second horse. Congratulations Geoff. Then we were entertained by an excellent speech by Australian Champion Jockey Malcolm Johnston who told us something of the highlights, disappointments and humorous moments in his career and his ambitions for the future.

For the first time Tattersall's Club Committeemen and their wives attended the 1981 Golden Slipper Ball as the Committee of the Club with their own table. All voted the evening as one of the most enjoyable dinner dances ever.

Congratulations to Club Members Mr John Inglis, Mr Ossie Roberts and their team for the historical Newmarket Yearling Sales recently completed. The new facilities at Newmarket were thoroughly appreciated by vendors, owners and the huge number of interested people that attended.

The new Club carpet has been laid on the 4th and 2nd floors and when wallpapering and curtains are finalised to compliment, it will greatly improve these areas.

Congratulations to all concerned on the various sub-Committees working for the Year of the Disabled Persons Appeal to raise funds for the Multiple Sclerosis Society of NSW. Our Appeal is shaping up to be a very successful one. I commend every Member to support this worthy cause and donations may be either made through your own sub-committee ie Swimming, Handball, Golf, Bowling, Billiards and Snooker, Ski, Epicurean or if you are not a member of any of these Tattersall's Clubs then your donation may be left at the office where a receipt will be issued. Donations of course are deductible for taxation purposes.

And finally, the 1981 Billiard and Snooker Tournament is about to get underway in both the Handicap and Championship sections, and at date of going to press the entries would appear to set a new record. We trust the organisers will be completely satisfied with the number of entries, and standard of play. We wish you every success for the biggest Tournament yet.

Kind regards,

Keith H. Moremon

HAPPENINGS

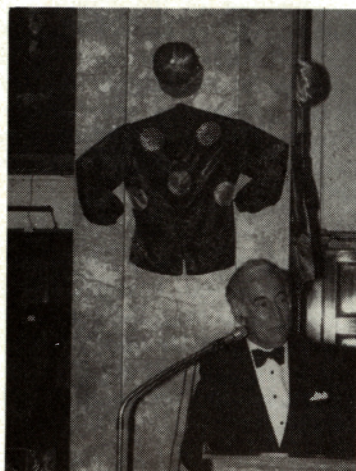

SIR ZELMAN COWEN

The Governor-General speaking at the Tattersall's Club Sydney Cup Week Dinner.

His Excellency Sir Zelman was accompanied by Lady Cowen.

It was a glittering evening highlighting the 1981 Racing Carnival.

Gay racing colours of members were displayed adding to the scene.

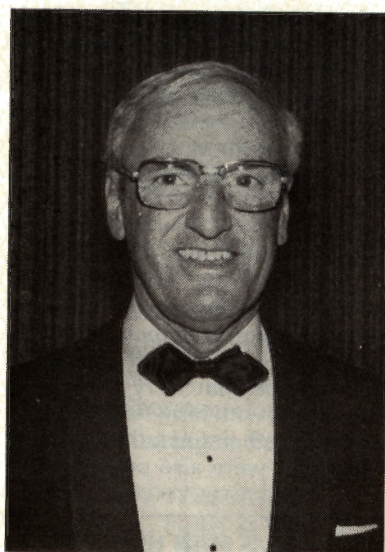

NEW COMMITTEEMAN — NEVILLE AMY

A daily user of the Club since 1962. An active member of the swimming and handball clubs and Chief Epicurean of Tattersall's.

OS BATES

RACING TO SLEEP

I asked Bookmaker of Yesterday — and great sporting personality member Tom Powell for a story:

"It was like this Os, after a hectic fielding day at Randwick one

Saturday I was glad to "hit the hay".

Tom was disturbed about 2 am by a wheezy voice on the phone.

"Tom, I owe you 2,900 quid from yesterday — I just can't sleep — because I **can't** pay!" said wheezy.

Tom said "Oh thanks very much . . . you go and have your sleep — because now I **won't** be able to sleep myself!"

WOULD YOU BELIEVE?

On checking I found Australia's strike record improved in 1980.

An estimated 3.3 million working days — and \$151.5 million in wages — were lost through strikes involved in 2,417 disputes, according to figures released by the Bureau of Statistics.

In 1979 an estimated 1.8 million workers were involved in 2,042 disputes, losing almost four million working days and \$148.6 million in wages.

How do you think we're going in '81?

NOT TO REGULAR RACEGOER

Tattersall's beaming Bill Band did the nice thing and took a mate Arthur out to Randwick.

At the track they got a "hot tip" for a cert. Arthur placed their joint wager and shuffled back to Bill announcing: "Money's on but the horse is 'Blowing' (odds for win extending)".

"Gee", says Bill "How's the hell will it run two miles, that's how far the race is — isn't it?"

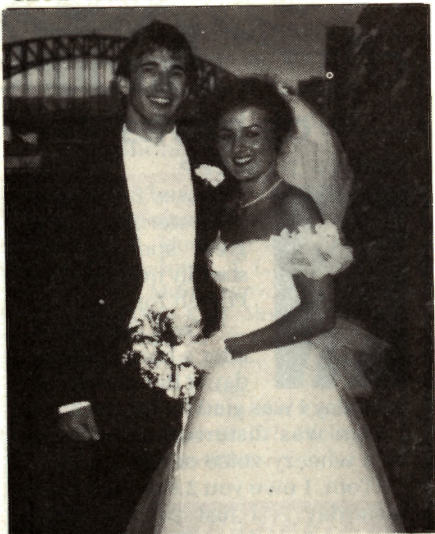

Finish to the story is that Bill's horse **did** run out of puff.

BE THERE JUNE 29

Come to the Special Charity Dinner in the Dining Room June 29. You'll get a chance to win some great prizes when the party retires to the first floor — AND you'll be helping our Multiple Sclerosis Society too.

WINING & DINING & CLUB NEWS

CLUB WEDDING

The first floor Club Room was the venue for another "Tattersall's family" wedding. Basil and Pam Phillips' third daughter, Jo-Anne was married to Gary Wilson at Shore Chapel and the reception held at our Club. Bas said that Tattersall's is like a second home and has much tradition for his family over three generations. The staff of the Club was wonderful — considerate and attentive — and the evening was a delightful experience for all present. Gary has since joined the Club. He is frequently seen on the third floor, in the gymnasium and swims in the Tuesday races.

Member John Kalinas takes time off from his very successful restaurant in Oxford Street, Paddington to come and relax at Tattersall's.

A group from the Club recently enjoyed a meal with John. Highlight of his blackboard menu "the boys" found was "Rags to Riches", succulent fillets of eye steak pocketed with sea food. They didn't forget the BYOB which was necessary to compliment the Chef's great meal.

Margaret and Jim Coulson and their daughter Susan entertaining a group of their friends to belatedly celebrate their silver wedding anniversary this being the first occasion upon which they had been able to arrange a mutually-convenient date for all concerned. One main reason for choosing the Club dining room is that one can have a round table for a dozen or so people and therefore everyone fitted in the party. It's always a fun night when you join a round table at Tattersall's.

On a pre-post birthday to acknowledge the great debt which all the O'Dea's have to Joy O'Dea, loved mother and grandmother of the family present were Cecil O'Dea, Roma Flynn, Carmen McAskill, Ruth Roche, Michael Marriannng, David and Elizabeth O'Dea and all had a happy and enjoyable dinner with the help of friendly Tattersall's staff in the dining room headed by Andy.

Celebrating father's birthday and son's (Bren) fifth birthday — present Bob and Neroi Webster, Kylie, Matthew and Bren and Mr and Mrs Webster Senior. The old and young can have a wonderful time on a night like this at Tattersall's.

Tattersall's Club was the venue of a welcome to a rare visitor from the UK Captain Wally Brunn of British Caledonian, distant cousin to mine host with daughter Natasha and good friend Cress Wattr joined by Greg and Missie with Marcus and Menon Wattr. Highlight of a short stay. "Full marks to dining room staff", said Captain Wally.

Happiness was the keynote of the party to celebrate the 47th wedding anniversary of Harry and Margaret Castle, grandparents and son and daughter-in-law and three grandchildren. Our Club dining room is the scene of many happy functions.

Club Member Jim Harris was recently promoted to Chief Executive Officer of the Deaf and Blind Children Society.

Jim will do an excellent job and he follows the late member Stan Swaine in the executive spot. Jim and Stan worked in great harmony through the years.

The Harris' gave a dinner in the Club recently to Mr and Mrs Walkerden of Canadian Pacific Airlines. It was a happy way to say farewell to the charming people.

Dorothy and Les Kluver celebrated their 30th wedding anniversary at the Club for dinner with their family, daughters Elizabeth and husband Glen Mandsen, Robyn and fiancée Chris Simmonds down from Kempsey and sons, Andrew, up from Melbourne for Easter and Michael. It was a great family night.

Member Ian Faircloth is Industry Liaison Director for Sales and Marketing for the Consolidated Newspaper Group.

"Fairy" normally wears glasses but there was no shortage of drinking glasses at the "Au Revoir" staged in Tattersall's Sportsman's Room.

Some eighty friends gathered in tribute to this very popular member.

His holiday with Mrs Faircloth will take them across the world for a few weeks.

Members wish you both a wonderful time and safe return — Ed.

Reg and Rose Downing, enjoyed a happy celebration with their family on the occasion of their 49th wedding anniversary, present were their sons Bob and Frank with his wife Elizabeth. Elizabeth's mother and father, Mr and Mrs Toppear, were also present.

TATTERSALL'S MAN HONoured BY ROTARY

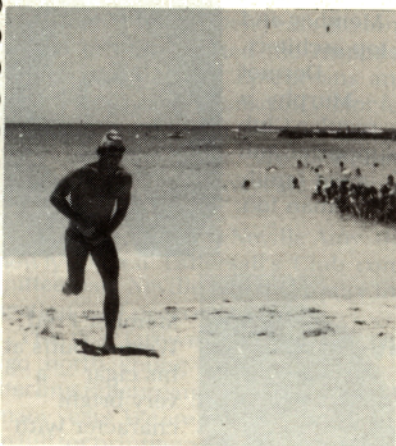

Mr John Wright of Bondi Junction Rotary Club, and his wife, Vanda, left in May to attend the Rotary International Conference and Assembly in the US.

On his return Mr Wright will take over as District Governor 975, which covers the Sydney metropolitan area to Kiama.

PEOPLE

Brian O'Connor. A very benevolent member. Always one of the first on any list to support Tattersall's Club activity.

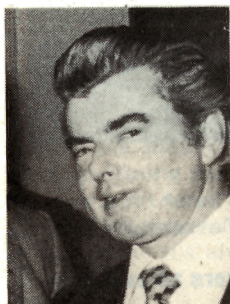

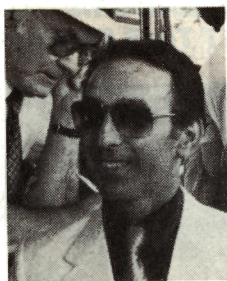

Frank Muldoon. Happiness beams from this member. Likes a tilt at the bookmakers too.

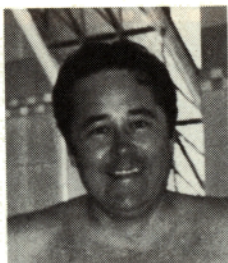

Renowned Cedric Emmanuel has been around the artistic scene for many years. Prolific producer of books, etchings and drawings. His talents are great and matched by a very likeable personality.

Popular Steve Zappia supports the Sporting Sections of Tattersall's. Likes his golf and Sport of Kings.

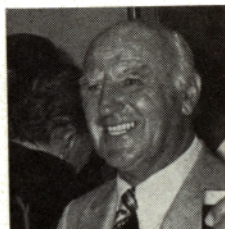

Trainer and Member Bart Cummings always there when a champion horse puts a head in front. One of the big spenders at the last yearling auctions.

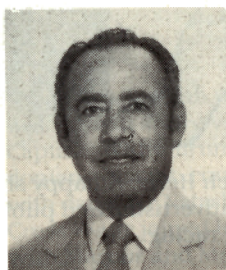

Harry Hooper at the pool on the third floor. Harry keeps himself fit by regular athletic involvement at Tattersall's.

Jim Burrell, a real pleasant personality. In retirement from the beer and spirits scene finds plenty of time to see his mates at the Club.

Quality of a Parisi-made suit is easy to pick. The best Italian and English materials find their way to many of our Club members. Styles are fashioned by Parisi himself.

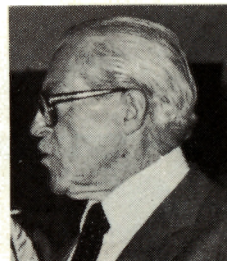

Peter Ashby. A man with his eye on the handball and athletic scene of Club happenings. Peter has a very prolific pen — recording events.

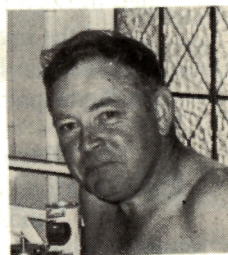

Bill McCredie, debonair personality. Always pleasant company. Regular in Club attendance too. Enjoys his visits to the racing scene.

Member and top architect, Dermot Murphy, a regular Club supporter and great family man too.

Member Fred Weston puffs at his cigar — a very bright character with a great assessment of a race horse. Has a very dry sense of humour.

Charles Robinson takes time off for the third floor action of the Club — a very popular man.

NEW CHIEF EPICUREAN

Epicureans will regret the decision by Victor Vadas to step down from the helm as Chief Epicurean. It was Victor's desire to take a less active role and much against the wishes of the committee. Victor accepted the committee's invitation to remain as Deputy Chief.

Victor has served the Epicureans of Tattersall's Club as Chief since its inception in 1974. Seven years is a long period to have carried the responsibilities of office. All Epicureans and their friends say — thank you Victor for your efforts and your personal hospitality over the years. We now look forward to many more years of happy association.

Appointed Chief is Neville Amy, the newly-elected Tattersall's Club committeeman. Neville will make sure the section will progress.

This year farewelled Bill Sellen. The "go north young man" has been a sterling Epicurean committeeman for many years. We are particularly grateful to Bill for printing and his never-failing attendance at all of our functions.

Tom Dickman has retired and moved to Victoria and his cheerful personality, good sense and helpful opinions in committee discussions will be sadly missed.

Fortunately for the Epicureans "new blood" has been recruited and it is with considerable pleasure that we welcome Peter Golding to the Committee. Peter is Deputy Chairman of Eric White Associates. His long experience in the public relations field we are sure his talents will promote the activities and enjoyment of the Epicureans.

Graham Smith and Peter Burrows attended our first 1981 committee meeting and made significant contributions to our programme discussions. Their interest displayed and assistance given, added to a full team effort, will be of great help in future attractions.

Tattersall's members should consider joining the Epicureans. There is a once-only joining fee of \$5 and thereafter you are an Epicurean of Tattersall's Club for life! This will ensure a notice of forthcoming functions for you to enjoy.

New members — please be sure to tell us when attending your first function. We will make sure that you are made welcome and that you meet new friends.

Watch for special announcement of exciting functions planned by your committee.

GOLF SECTION'S GREAT MANLY DAY

... by Seagull

The new season got away well with 67 starters attending at Manly on the opening day in March. Numbers were the best on an opening day for the past few years. It augers well for the remainder of the golf year.

The weather was perfect, and taking into account the playing of some five or six temporary greens, scoring was excellent.

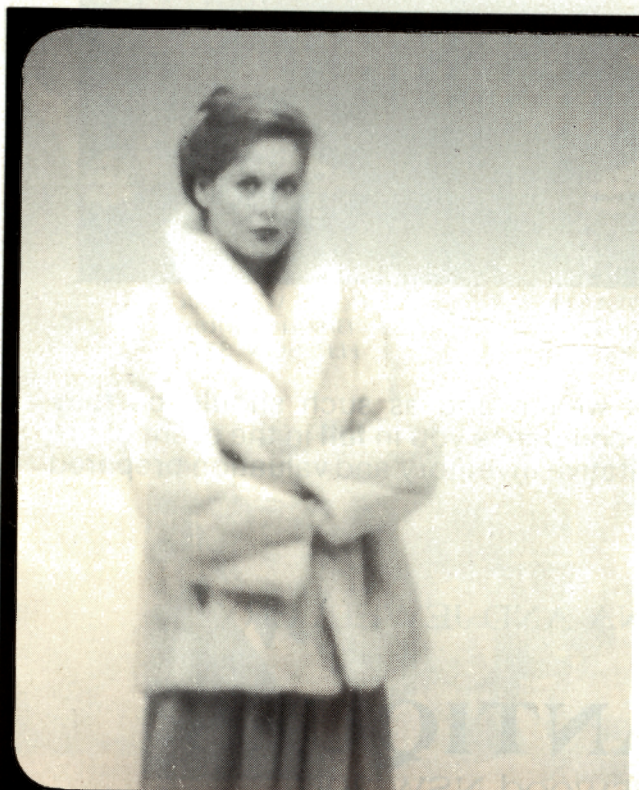

The 4-Ball was won by regular starter Steve Zappia and visitor Col Johnson with 48 points, with Committeeman Dick Scott and local member Bill Murphy runners-up on 46.

Other good scores were Doug Cameron/Frank O'Neill, Jim Davidson/Peter Dind and Rolly Banks/Chris Meagher, all on 44.

The members' singles was taken out by Ian Guest with 38 points, narrowly defeating Basil Phillips on 37. Good to see you back on deck Basil and firing so well.

The visitors' singles finished in a triple dead-heat with Mike Adair, Bill

LAVISH SYDNEY CUP WEEK DINNER WITH GOVERNOR-GENERAL . . .

Set in the magnificence of the first floor Club Room the scene was splendid. Tattersall's Club proved once again to be the ideal setting for the The Sydney Cup Week Dinner.

Presence of the Governor-General and Lady Cowen highlighted the evening.

Members and their beautifully-gowned ladies made a beautiful scene in the finest room of its type in Australia.

Chairman Keith Moremon and Mrs Moremon greeted their Excellencies.

Main guests were Mr J. H. Carr, Chairman, Australian Jockey Club, Mrs Carr, Sir Clyde Kennedy, Chairman, Sydney Turf Club, Lady Kennedy, Mr L. P. Taylor, Chairman, City Tattersall's Club and Mrs Taylor.

Race broadcaster Geoff Mahoney provided a "Phantom Call" of the Sydney Cup and named the eventual first and second horses — a great feat.

Jockey Malcolm Johnston gave an interesting rundown on his career — it was packed with interest.

Committeeman Norman Rogers thanked all speakers in an excellent fashion.

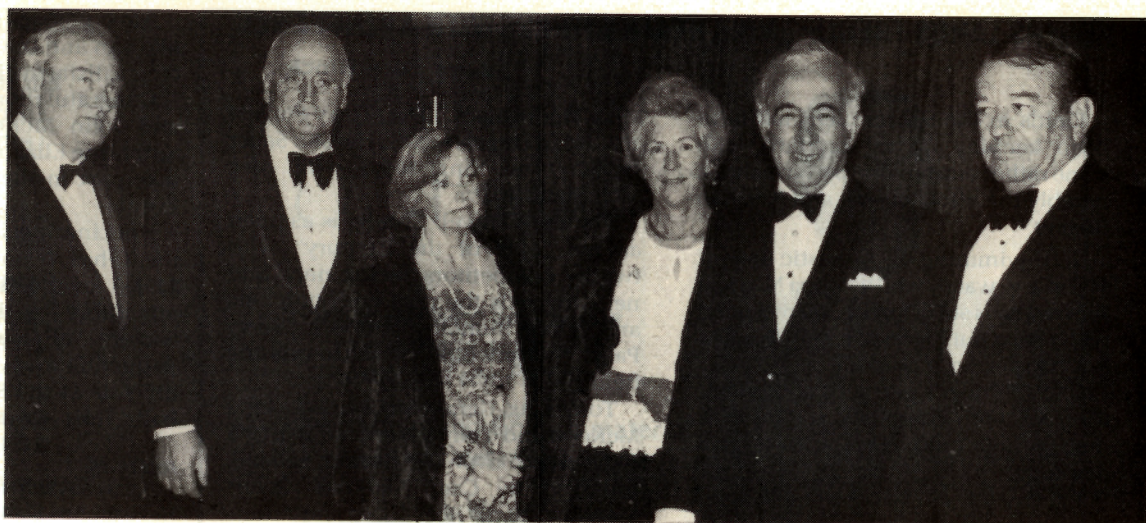

The evening is well established as the finest Turf Racing Social Event of the Year.

Seated is Jockey Ron Quinton in a happy mood with friends.

ROGERS LANDS TREBLE □ NICK HEATH STRIKES WITH A VENGEANCE

says Sam Block

Fields in the Swimming Club have been keeping up to standard with some rather outstanding performances, notably the effort of Neil and Norman Rogers.

Neil swimming the fantastic time of 16.6 in low water, whilst Poppa Norman showed he is still a force to be reckoned with taking out his heat in 21.9 seconds. Not bad for an old-un eh!

One of Roger's gee-gees completed the treble with a dead heat at Randwick during the month — might be a good omen.

The real Nick Heath of marathon fame came good during February with a total of 39 points, made up of four heat wins plus two finals from the unlucky Mike O'Dea on 30, Michael has yet to land a Point Score, but has been runner-up on many occasions, whilst Justice Bryce Ross Jones on 29 would have been much closer had his Court duties not whisked him away to rural areas.

The March Point Score saw the return to form of our Aldermanic Tony Salier, who whilst looking after the interests of his constituents, especially where exercise and swimming is concerned at last consented to show his ability by winning three finals totalling 35 points.

Our newly-elected Club Committeeman Neville Amy was in second place on 30, with consistent Nick Heath finishing third on 24.

Congratulations Neville and commiserations to your opponent Ken Upton.

Owing to the absence of Gerald McCormack on holidays Tony McSweeney's Silver Sharpe Trophy has become wide open. Gerald still leads the field on 139½ points with John Nicholas breathing on his neck on 134, Nick Heath a point astern with 133, Stuart McAllum pegging away on 130, David Castle 118½, Ted Joye 115,

Mike McCormack 109½, Terry Forrest 107, Brian Duncan 106½, Gordon Salier 105½, Tony King 104½ with Alec McLelland 102½.

The Tom Powell Trophy is as open as the "Sale of the Century" with twenty competitors racing neck and neck towards the post with only one and a half humble opinion a "Terry Page" quote would be six to one the field.

Tony King, Gerald McCormack, John McKeon and Tony Salier lead with 5½ wins, Ken Glover and Gordon Salier 5, followed by Czar Nicholas, Stuart McAllum, Bryce Ross Jones and Jimmy Meagher 4½, with ten others following on 4 (see list below).

Fast times were recorded by Club Champion Neil Rogers 16-6 equalling the Pool record Leigh Emery 17-6, 18-3, 18-4, Ron Rogers 18-5, Alec Hillston 18-6, Tony Salier 20-6, 21-4, 21-5, John McKeon 21-2, 21-6, Nick Heath 21-4, 21-9, Bill Hannan 21-5, Tony King and Ken Glover 21-6 and Norm Rogers 21-9 seconds.

The return of Mike Saunders saw three seconds whisked off his handicap, feel sure Mike can lose a couple more.

New swimmers welcomed were Wally Meakes, Gary Wilson and Michael Rowland-Smith, three rather hot customers who will add a heap of excitement to Pool finishes which have become as close as bee's knees.

Take notice a new rule has been instituted for championship events: "All competitors must have completed on **three** occasions to be eligible".

Sir Tal Duckmanton is conditioning himself for the Hawaiian Maui Channel event by training over at least a hundred laps each day.

After a short stay in hospital John McLean and David Dind are convalescing satisfactorily.

Congratulations to lovely Elizabeth and John McKeon on the birth of Katherine Elizabeth, next time a son to take part in the Jack Mandel Family Event.

Hot Line Special the Athletic Department has been allotted a quote of \$1,000 for the "Year of the Disabled", our effort for the Multiple Sclerosis Society, all contributions are tax deductible and will be accepted by the officials of the Swimming and Handball Clubs. Give generously.

Brownie and Bill Moore all returning cards of 39 points, Mike winning on a countback with 19 on the second nine.

A Bradman prize was re-introduced and also resulted in a titanic struggle with Rob Elvy on 20 narrowly defeating Treasurer Kevin Elliott on 22 with newly-appointed Committeeman Phil Byrnes a point further away on 23.

Presentation of trophies was made by Club Chairman, Keith Moremon and we thank Keith for his attendance. Following the presentation a most enjoyable smorgasbord meal was had by all and drinks were served well into the evening.

Our thanks go to Manly, and particularly retiring Secretary Bruce Scott, who partnered "Sweet-swinging" Bob Parker on the day, for their hospitality.

All Tattersall's members are invited to join this section. Contact with the office or smiling Secretary of the Golf Section, Rod Fisher, will give you all details.

NEW SINGLES CHAMP FOR 1981 *by Peter Ashby*

With the forced retirement of Tattersall's long-reigning handball champion Michael O'Dea the stage is set for an exciting struggle to find a worthy replacement.

Painful neck and back injuries have made further competition by this near-invincible handballer an impossibility. Improvement in modern medical techniques may see a miraculous comeback in the future but at this stage the mantle of open champion is up for grabs.

The prospects of interesting championships in all grades are bright following the usual pre-season activity.

The open championship draw is:

Norm Rogers v John McGuire, Neil Rogers v Bob Calloghan, Charles Robinson v Ven Hrouda, Ron Rogers v Bill Hannan, Bill Blakemore v Bob Hill, Bob Lipman v Ken Glass, Ray Hopkins v Mal Fuller, Tony Baine v John Byrne.

In the absence of the big O, Tony Baine, runner-up in 1980 must be a warm favourite to fill his mentor's shoes. Tony is the finest player in living memory when on promotion from a B Grade victory made the final in his first year in the top grade.

It would require supreme optimism to back either of the promotions from last year, Ven Hrouda or Bob Hill. Both performed like A Graders in their final clash to determine the B Grade championship, but each will have to produce that extra effort necessary to win in open company before earning the open crown.

Champion Neil Rogers is in with a big show as is brother Ron, a great competitor in past seasons. If father Norm Rogers could stand another searching preparation then he, too, could add to his already illustrious record.

Bob Lipman tested a few reputations in last year's championship and a repeat performance by this champion would not surprise.

Bill Hannan, Malcolm Fuller, John Byrne, Ken Glass, Bill Blakemore and Bob Calloghan are all capable handballers and they will win their share of matches.

John McGuire has beaten the best in the field but has proved a difficult training proposition for a long tournament.

On the second line of favouritism must be bracketed the mercurial Ray Hopkins and Charles "Never Say Die" Robinson.

I might be tempted by the each-way odds available about Tony Baines.

B Grade

The B Grade appears to have fallen away not only in numbers but also in quality. This championship could easily be won by either of the promotions from last year's C Grade field, Peter Barnes and Terry Jackman.

Terry is fitter than hands can make him and has the game most likely to improve while Peter is still improving and could easily be the player to go into the A Grade ranks of 1982.

Martin McCurrich, always in top physical condition and always been has suffered serious injuries at crucial stages of past tournaments.

Greg Rogers could be a serious contender if he had the same facilities for practise as the remainder of the field.

John Barnes could easily win the title as could David Dobbin, who, at this stage of a promising handball career, needs more practise than he is at present able to avail himself of. Fitness, optimism and youth aren't always enough to win handball matches.

Don Stait is a hardy campaigner,

and Stan Heaton has stood on a few corners in the past. Allen Hillston, Stan Droder and Rod Fisher have never produced the handball of which they are capable.

The B Grade draw is:

Peter Barnes v Rod Fisher, Alan Hillston v Greg Rogers while Stan Droder, David Dobbin and John Barnes all received byes, Terry Jackman v Don Stait, Martin McCurrich v Stan Heaton.

The winners of all championship matches are the first to win two games, 21 up, playing advantage rules.

HANDBALL'S LOSS

No, we didn't lose a handball, we lost a handballer, none other than Big Bill Sellen!

He is, of course, far too big to be overlooked, he was not lost that way, its just that Tattersall's Handball Club is the poorer because this illustrious sportsman chose to spend (or waste, depending on one's point of view) his retirement in the far away wastes of North Queensland.

Bill, in a weak moment (his friends must consider the charitable aspect) acquired a headland north of Cairns where he hopes to do things (like fishing), grow things (like mangoes) and pick up things (like gold nuggets).

He has already driven madly with his sweet little wife Narelle over 19,000 kilometres of the great faraway north and must be now ready to settle down on his own stretch of seaside.

Bill was a great handballer, and always one of the finest of sportsman and while we all are sadly aware of his absence wish that he and Narelle enjoy a well-earned respite away from the big city grind wherever they are happiest.

Credit Betting for Tattersall's Members . . .

Bookmakers offer the privilege of credit betting to all Club members. It is very handy and saves carrying amounts of cash. You are invited to introduce yourself to the bookmaker. Your Tattersall's membership card is sufficient identification. Settling may be carried out on the 1st Monday of the following week. Members may also arrange to settle on course. Local and interstate fielders will be very happy to co-operate. Bookmakers listed below are keen Tattersall's members. Why not give them your support?
